Notes

Please can each Pony Club Branch / Centre allocate a Team Manager. The Team Manager should collect the envelope from the organisers' table and they should distribute to their competitors. On the day there will be no secretary, but a table with information packs will be available to collect shoot cards.

Shooting

All competitors are to wear the regulation clothing and safety glasses. The organisers reserve the right to refuse entry to competitors wearing incorrect clothing. Please can all competitors and/or

their helpers ensure they are confident with loading and shooting their guns and how to deal with issues. We do not have spare gas on site for gas guns – it is your responsibility to bring this.

Swimming

All beanie swimmers will swim widths at the shallow end of the pool, there will no lanes. The reason for this is to adhere to safety regulations at the pool and to encourage younger Beanie competitors to come and have a go. Swimmers may use swim aids but those who do will be awarded maximum points score of 25m distance swam.

Running

Runners will be set off at 1 minute intervals on the day. A start time for each class will be given rather than individual start times. Running will run in number order. Please make sure you arrive ready for the start of your running section. Numbers will be available for collection at the start of the running.

Live scoring and rosettes

Live scoring will be available via pony club results.

There will be a prize giving in the shooting hall after the competition has finished.
