Additional Details

Fantastic opportunity to get some XC schooling in at a brilliant facility with an even more brilliant trainer in Jonty. Absolutely EVERYONE welcome, whether you're starting your event season with gusto, doing it for the sheer pleasure of being in a field in Oxfordshire or you're not really sure why you keep booking scary sounding activities with your horse but you seem to enjoy them after you've survived, you will be very welcome!

Coach / Instructor

Jonty Evans is an experienced coach with a passion for helping riders of all levels and abilities get the best from their horses. Jonty's competitive riding career has spanned over 20 years, riding nationally and internationally including 5* completions and notably representing Ireland at the Olympics in Rio de Janeiro in 2016, where he finished eighth with his team and ninth individually. Jonty suffered a serious fall from his horse Cooley Rorkes Drift (Art) in 2018 during the cross country phase at Tattersalls, which left him unconscious and in a coma for six weeks. Astonishingly, Jonty learned to talk and walk again and is now back riding, having competed at his first event since the accident in 2019 and now competing internationally for Ireland in Para Dressage. He has also returned to coaching riders of all abilities, from new/nervous/inexperienced up to International eventing combinations, and everything in-between.

On site Facilities

Our course of over 200 jumps is set in beautifully maintained, traditionally hedged Cotswold grassland. Designed, built and regularly updated by course designer Charles Etherington-Smith, the wide variety of inviting fences range from 70cm to intermediate level. Professional, year round maintenance provides consistent ground cover and the best going for your horse, with many of the fences also benefiting from all weather takeoffs and landings. The Course includes a woodchip track, which takes an undulating route around 30 of our fences and incorporates two water jumps. The Shepherds Hut – Enjoy a Freshly ground coffee, speciality teas or perhaps a rich hot chocolate. Open daily from dawn 'til dusk, the Hut is self service.
