Our championship series will run until April 2025 and is based on points won at each of our dressage competitions and there will be a champion and reserve champion in each category below- you have to be in it to win it! Intro (champion & reserve champion) Prelim (champion & reserve champion) Novice/ Elementary (champion & reserve champion) Please note if you have previously won either the intro or prelim championship before you are welcome to still compete at the same level but any points will not be awarded towards the championship to enable others to have a fair chance of winning, you will still be placed as normal on the day. If there are sufficient entries the classes will be split in to sections and rosettes to 6th place - we also include an Intro only section if sufficient entries (for those only competing at intro level and not riding a prelim or higher at the same event to make it fair for the beginners/lower level competitors)
