## Additional Details

**Who are Fairlight Hall Riding for the Disabled?** Fairlight Hall Riding for the Disabled is a registered charity. The RDA Fairlight facility was established in 2015. Currently our horses are Arthur, Henna, Amelia, Mull and Bonnie. We provide riding and one to one equine therapy to a range of adults and children facing a wide variety of challenges. In addition, we have "Tea with a Pony" for dementia patients who visit from a local care home. To see the pleasure and improvements in speech and movement as well the mental and physical benefits gained during each riding session by our riders is humbling. <https://www.rdafairlight.co.uk>

### **We extend a huge thank you to RW Equine Vets for their generous sponsorship.**

*"RW Equine Vet is an independent, family run practice that was set up in March 2018 by husband and wife team Reuben & Sarah Whittaker. We are passionate about providing excellent customer service and our team of 6 skilled vets are friendly and really care. We bring you cutting edge diagnosis and treatment services using the latest equipment. Our fully equipped and mobile surgery will be brought to your yard or you can come to our surgery."*

**And of course we could not run this event without the kindness of the Grissell family at Brightling Park.**
