The SEG Eventing Championships gives children the opportunity to compete for their schools and qualify for the Schools Equestrian Games Eventing Championships.

This is a prestigious series and is the recognised Eventing Championships for all schools, we welcome international schools to compete as well.

How to Qualify

- Top 8 qualify in each SEG section at qualifying competitions
If qualified for unaffiliated Eventing Championships can transfer to compete in SEG if you wish.
- Throughout the season the competitions are individual qualifiers
– Teams will then be made at the championships if a school has enough members from their school who have qualified individually to make up a team. (minimum of 3 in a team)
- Teams- Maximum of 2 teams per school per height at the championships.
- Qualification is passed down the line in the event that those placed have previously qualified.
- The same horse and rider combination qualify- no substitutions can be made.
- Each competitor rides for the school they currently attend – school leavers (17/18 years) ride for their previous school.

Championship criteria for all qualifiers

In the event of qualifying for two heights the combination must compete at the championship at the highest height they qualified for.

No horse or rider substitutions at the championships

For Unaffiliated Amateur riders that have qualified and are riding a young horse or at School age the rider can decide which championship class they would like to be entered into. If choosing the Schools Equestrian Games section.

(please ensure your School is registered with us by the 20th September 2025)

Please remember the Young Horse Class is open to professional and amateur riders.

Only 1 class per horse and rider can be ridden at the championships

In the event of Qualifying for multiple championship classes you will need to decide which championships you compete in. (Amateur, Young horse or SEG)
