Additional Details

Please provide additional riding information on booking to help us decide which is the best ride group. Include brief details of the **rider and pony's experience**, any goals you have for this year, any problems you are having, advice needed, and areas you would like to work on. Please also inform us if your child has any **health or learning difficulties that may impact on their tuition/riding**.

On site Facilities

Toilets available. **Horse water** available. **Drinking water** available. **Dogs** on short leads at all times. **Non-riding children** must be supervised by parents/guardians at all times. PC-compliant **body protectors** must be worn by all riders using the XC course. All riders using the XC course must wear a **skull cap-style riding hat**... there should be no fixed peak. See the current PC riding hat regulations. **First aid** available during the rallies covered by trained SPC volunteers. Please carry your own small first aid kit containing pain relief, anti-sting cream/spray, etc. We cannot administer medication.

Parking

Please pick up **horse droppings** in the car park and take them home with you. Please collect any **hay** from the ground and take it home. Please **park sensitively** to ground conditions and neighbouring vehicles. There's plenty of space, so please give your neighbours space. **Wet weather parking** is on the hill facing downhill to aid departure. Please **do not park blocking the water tap and exit to the barn**... keep that area clear.

Lunches

Please bring your own food and drink for a picnic lunch. There is a fridge, microwave and kettles in the barn which can be used if required. Please site yourself carefully for lunch... be aware of surrounding horses/ponies and vehicles.

Additional Details

This rally will include flatwork and any of the following: polework, showjumping, cross-country, mounted and unmounted games, drill ride, musical ride, jumping lane, mini-badge work, test training, etc.
