Additional Details

Just a few housekeeping points, please: • Please arrive promptly for your ride times. Our Instructors coach back-to-back rides throughout the day and if you are running late, the ride will start without you. • Please ensure your tack is clean and safe, ponies also need to be clean and smart, not to Household Cavalry standards as we appreciate there is a lot of mud about at the minute, but everything should be clean please. •

Please plan for all weathers when considering horse/rider and support crew and bring water for your ponies. •
Please do clear all hay and droppings from the car park before you leave.
