# Schools Equestrian Games

*“Showcasing tomorrows equestrian talent”*

We pride ourselves of well organised events with clear communication in a friendly and enjoyable atmosphere, providing a platform for all school children to compete in equestrian sport at all levels of competition.

The SEG Eventing Championships is a series of ODE's around the country to give children the opportunity to compete for their schools and qualify for the Schools Equestrian Games Eventing Championships.

This will be a prestigious new event for 2019 and will be the recognised Eventing Championships for all schools, we welcome international schools to compete as well.

## How to Qualify

- Throughout the season the competitions are individual qualifiers -teams will then be made at the championships if schools have enough members from their school who have qualified individually to make up a team.
- Teams- Maximum of 2 teams per school per height at the championships.
- Top 8 qualify if section starters 30 or less, top 10 qualify if more than 30 starters per section.
- Qualification is passed down the line in the event that those placed have previously qualified.
- The same horse and rider combination qualify- no substitutions can be made.
- Each competitor rides for the school they currently attends - school leavers (17/18 years) ride for their previous school.
