

Get In Early And Get Some Winter Training With Paul Tapner

Maybe it's XC practice, Maybe it's some SJ practice or maybe you want help with both?!

In the Showjumping working towards finding a rhythm, how to walk and ride a course to the best of your ability.

XC - Have a practice working over various XC type fences in the versatile Wickstead HorsePlay arena, which has an array of XC fences including banks, ditches and water. Whether it's to keep your 'eye in', perfecting your style, stringing fences together or working on combinations,

Which ever you choose, learn from the best! Paul has competed at and WON at the best events in the world and he is a very informative instructor.

Group lessons of 3 (1 hour) to 5 (1.5 hour) riders in each group.

The great thing about the Wickstead HorsePlay arena is that everything is very central therefore if you are not feeling it on that particular day the fences can stay small or you can jump a more forgiving alternative, if you are feeling brave then the fences can be raised or you can have a go at some harder lines!
