Young Horse Performance Classes Rules

The two Young Horse Performance Classes are unaffiliated but are designed to help prepare young 4 and 5 year old horses for future competition.

Each horse will be required to show a series of movements in a freestyle dressage test, lasting no more than 2 mins 30 seconds prior to the jumping phase. This should include medium walk, working trot on left and right rein, some lengthened strides at trot, working canter on left and right rein (incorporating a 20m circle), and a halt. Competitors should then proceed direct to the jumping phase. After jumping please show a gallop and then leave the arena at free walk on a long rein.

The jumping test will consist of 7-8 show jumps including related distances, followed immediately by 7-8 cross country fences. 2 penalties will be deducted for a fence down and 4 penalties for a refusal. Elimination after three refusals, accumulated or otherwise and/or a fall.
