Team Competition – Dressage

Branches may enter a team of three or four members in the Dressage Area qualifying competitions. The team members can compete at different levels or all at the same level or a mixture of the two. A team must comprise of at least three members (i.e., one member may ride two horses) and the top three scores to count. The winning Branch team at each Area competition will qualify for the Barrier Spring Festival. If any of the individual qualifiers are in a qualifying team their place will be passed down the line.

Team Competition - Show Jumping

Should a Branch/Centre have three or four members qualify at the Area Competition, at any level, these members can combine to compete as a mixed level team at the Spring Festival Final. The team members can compete at different levels or all at the same level or a mixture of the two. A team must comprise of at least three members (i.e., one member may ride two horses) and the top three scores to count.

IMPORTANT INFORMATION

No commanders are allowed

Multiple Horses – competitors may qualify a maximum of two horses for the Final in any one class.
