

Please find below Groups and Times for our Tadpole/Mini training day.

This will be a busy and tiring day but we do hope the children all enjoy it. Please ensure that you bring enough food, snacks and drinks as they will be needing it and there will be none available onsite. There will be time whilst walking from SJ to XC arena's to eat a snack & have a drink. Shooting and running will be 30-45mins.

Please remember all the equipment you require. Hats must be pink tagged prior to arrival (no peaks) and Back protectors must be Black/Blue 2018 . All under the PC Rules.

Please come prepared for all weathers!
