

Area 14 The Pony Club
Wessex and Channel Islands

Mock B test Riding Day

Monday 18th August 2025

RAC Saddle Club, Bovington, Wareham, Dorset BH20 6JA

Starting 9am -2pm

Organiser Nikki Forbes

Trainers from the Area B test panel

This training day will be run in the same format as the actual B test. ie: One group will ride flatwork, Show jumping and cross country for 1 1/2 hours and one group will do care. The groups will then swap.

Extra time will be given for extensive feedback. Weak areas will be hi-lighted in the hope that members will go away and work on them.

It is hoped that by knowing how the test works candidates will feel more confident when taking the actual assessment.

Recommended minimum age for B test is 15 years.

Helpful handouts will be provided.

Please bring your refreshments and your own lunch.

Places 12

Cost: £60 Book via Horse Events website.

There is a possibility of running an afternoon session if demand is high.

Care or riding only may be available if space permits.

Note: If parents want to leave members they must arrange to leave a horse box or trailer (no unhitched trailers please) for the horse to stand in while the care and debrief takes place.

All members should inform their Branch/Centre DC/Proprietor of any training booked.
