

Newmarket and Thurlow Friendly Mounted Games Competition

Monday 6th May 2024

Timetable

9.30	Gates Open
10.30	Briefing in the green barn, please could at least one person attend from each branch.
11.00	Senior Competition
12.30	Lunch
1.00	Novice Teams
2.15	Junior Teams

Each team will need to provide two line stewards and a person to help with equipment, this is an ideal opportunity for new line stewards to practice before the area competition!

The competition will be held on the flat ground in the middle of the point to point course. When you arrive at Horseheath, please follow the track straight on, over the racetrack and you will see the arena near the green barn. Turn left by the barn and park on the grass to the right hand side of the track by the arena.

Please ensure that gates are closed to prevent loose ponies getting on the road or the point to point course.

All droppings to be collected and taken home.

There isn't any catering, so please bring a picnic and take any rubbish home with you.

No tack and turnout, but could team trainers ensure that the Mounted Games Rule Book is complied with. Feel free to wear PC sweatshirts etc under team bibs to keep warm/dry – they don't need to be white!!

Looking forward to seeing you all, we're aiming for a fun day to give everyone a practice before the area's, this is new to us as organisers, so please bear with us – we're doing our best!!
